

Public Health Service, HHS

§ 35.17

illness or personal injury for which the patient is receiving care or treatment therein. No patient is prohibited by this section from communicating on his own behalf with an attorney of his choice or with other persons.

§ 35.15 Consent to operative procedures.

Except in emergencies when the patient is physically or mentally incapable of consenting and the delay required to obtain the consent of his natural or legal guardian would seriously endanger the patient's health, no operative procedure shall be undertaken unless the patient or, in the case of a minor or incompetent, his natural or legal guardian gives his consent, nor shall any major operative procedure or the administration of a general anaesthetic be undertaken unless such consent has been obtained in writing. The consent or refusal of consent shall be made a part of the clinical record.

§ 35.16 Autopsies and other post-mortem operations.

Autopsies, or other post-mortem operations, including removal of tissue for transplanting, may be performed on the body of a deceased patient only by direction of the officer in charge and only if consented to in writing by a person authorized under the law of the State in which the station or hospital is located to permit an autopsy or such other post-mortem operation under the circumstances of the particular death involved. Restrictions or limitations imposed by the person consenting thereto on the extent of the autopsy or other post-mortem operation shall be observed. Documents embodying consent shall be made a part of the clinical record.

§ 35.17 Fees and charges for copying, certification, search of records and related services.

A prescribed fee, in accordance with the schedule in paragraph (c) of this section, shall be collected for each of the listed services.

(a) *Application for services.* Any person requesting (1) a copy of a clinical record, clinical abstract, or other document containing clinical information;

or (2) a certification of a clinical record or document; or (3) a search of clinical records, shall make written application therefor to the Public Health Service facility having custody of the subject matter involved. Such application shall state specifically the particular record or document requested, and the purpose for which such copy or document is desired to be used. The application shall be accompanied by a deposit in an amount equal to the prescribed charge for the service rendered. Where it is not known if a clinical record or other document is in existence, the application shall be accompanied by a minimum deposit of \$2.50.

(b) *Authorization for disclosure.* The furnishing of copies of PHS records containing confidential clinical information must comply with the requirements of part I, title 42, Code of Federal Regulations, governing authorization for the disclosure of such information.

(c) *Schedule of fees.*

- (1) Photocopy reproduction of a clinical record or other document (through use of facility equipment):
 - (a) Processing (searching, preparation of record and use of equipment), first page \$3.25
 - (b) Each additional page25
- (2) Certification, per document25
- (3) Unsuccessful searching, per hour (minimum charge 1 hour) 2.50
- (4) Clinical abstracts, per request 3.00
- (5) Arranging commercial duplication of a clinical record, per request ¹0.50
- (6) If the requested material is to be transmitted by registered mail, airmail, or special delivery mail, the postal fees therefor shall be added to the other fees provided above, unless the applicant has included proper postage or stamped return envelopes for this purpose.

¹ The private concern which duplicates records for an applicant will make a separate charge therefor and will bill the applicant directly.

(d) *Waiver of fee.* The prescribed fee may be waived, in the discretion of the medical officer in charge, under the following circumstances:

(1) When the service or document is requested by another agency of the Federal Government for use in carrying out official Government business.

(2) When a clinical record is requested for the purpose of providing continued medical care to a Service beneficiary by a non-Service physician, clinic, or hospital, in which case the record will be forwarded only to the physician, clinic, or hospital concerned.

§ 35.21

(3) When the service or document is requested by an attorney in the prosecution of a Service beneficiary's personal injury claim against a third person, involving the concurrent assertion of a government medical care claim under 42 U.S.C. 2651-2653. In such case, the service or document requested will be furnished only upon compliance with all additional requirements for the release of records in third party recovery cases, including the proper execution of form PHS-4686, Agreement to Assign Claim Upon Request.

(4) When the service or document is requested by, and furnished to, a Member of Congress for official use.

(5) When the service or document is requested by, and furnished to, a court in lieu of the personal court appearance of an employee of the Public Health Service.

(6) When the service or document is required to be furnished free in accordance with a Federal statute or an Executive order.

(7) When the furnishing of the service or document requested without charge would be an appropriate courtesy to a foreign country or international organization.

Subpart B—Transfer of Patients

§ 35.21 Authorization of transfer.

Except as otherwise provided by law or regulation with respect to certain classes of patients, the officer in charge of a station or hospital of the Service may provide, without any cost to the patient, for the transfer of the patient either from such station or hospital to another station or hospital of the Service or to any non-Service station or hospital at which the patient may be received, or from any non-Service hospital at which he is receiving care or treatment as a patient of the Service to a station or hospital of the Service.

§ 35.22 Attendants.

Patients shall be transferred by such means and accompanied by such medical, nursing, or other attendants as

42 CFR Ch. I (10-1-06 Edition)

may be necessary to protect the health and safety of the patient and other persons likely to come into contact with him, including in the case of a prisoner such guards as may be necessary to assure his safekeeping. A female patient requiring the services of attendants shall be accompanied by at least one female attendant. Medical or nursing attendants shall be qualified to care for persons suffering from the type of disease or disorder with which the patient is afflicted and shall be provided with equipment and medicines necessary for the care of the patient.

Subpart C—Disposition of Articles Produced by Patients

§ 35.31 Retention by patients.

Subject to the rules of the station or hospital, patients may be accorded the privilege of retaining articles produced by them in the course of their curative treatment with the aid of materials furnished by the Service. Articles not retained by patients shall be disposed of as provided in this subpart. The provisions of this subpart do not apply to the products of industrial activities established for narcotic addicts.

§ 35.32 Board of appraisers.

The officer in charge shall appoint, from the personnel of the station or hospital, a board of three persons to serve at his pleasure. The board shall provide for the sale of articles having commercial value and shall keep appropriate records of such articles and their disposition.

§ 35.33 Sale; prices; deposit of proceeds.

The board shall determine and redetermine from time to time the prices at which articles are to be sold, and in doing so shall consider the cost of materials used, reasonable handling charges, and the fair market value of the articles. The sale price shall be indicated on each article by tag or other appropriate means, and a list of articles offered for sale and their respective sale prices shall be posted from time to time in the hospital or station area. In its discretion, the board may offer such articles for purchase by
